

Advanced Project Request for Qualifications (RFQ Announcement)

The Central Colorado Water Conservancy District (CCWCD) to select an Alternative Delivery Contractor for Phase I of the Walker Recharge Southside Main Pipeline

General Contractors and interested respondents:

The Central Colorado Water Conservancy District (CCWCD) will be releasing a Request for Qualifications (RFQ) for soliciting Statement of Qualifications (proposals) from interested contractors on December 7th, 2018. CCWCD is seeking experienced and qualified Contractors to procure and install 8,200 LF of a 54-inch Steel, or a 60-inch Steel, or a dual 48-inch HDPE, or a dual 42-inch PVC pipeline.

RFQ documents will be available on December 7th, 2018 for download at:

Or may be examined at the following locations:

- CCWCD Greeley Office, 3209 W. 28th Street, Greeley, CO 80634
- Online at: <https://ccwcd.org/>

Proposals will be evaluated based on qualifications. A selection committee will rank all proper submittals based on the evaluation criteria and make a recommendations to the CCWCD Board for approval.

Direct questions about the RFQ and project to:
